ORDER

The local court rules of the 13th Judicial Circuit Court shall apply to all proceedings in the circuit courts of Boone and Callaway Counties, whether before circuit judges, associate circuit judges, or the family court commissioner, unless otherwise specified by individual rule.

These rules are adopted by order of the court en banc, effective the 1st day of October, 2001.

Any of the following rules or parts thereof in conflict with any rule of the Supreme Court of Missouri or any law of the State of Missouri is hereby considered amended to conform to said rule or law governing same.

ADMINISTRATION

RULE 1. DIVISIONS OF COURT

- A. The circuit court of the Thirteenth Judicial Circuit shall consist of a presiding judge and other judges and commissioners assigned to hear civil, criminal, family law, probate, drug court, small claims, and associate circuit judge cases. The assignment of dockets to the various divisions of the court shall be subject to change from time to time, as determined by the presiding judge.
- B. Divisions I, II, and III shall be presided over by circuit judges; divisions IV, V, IX and X shall be presided over by the Boone County associate circuit judges; divisions VI and VII shall be presided over by Callaway County associate circuit judges; and division VIII shall be the family court commissioner.
- C. There shall be municipal divisions of the circuit court in both Boone and Callaway Counties.
 - 1. If any municipality in either Boone or Callaway County elects to retain its municipal judge, the municipal judge shall hear and determine municipal ordinance violations in a municipal division of the circuit court located in the municipality so electing to retain its municipal judge.
 - 2. If any municipality in either Boone or Callaway Counties does not elect to retain its municipal judge, municipal ordinance violations shall be heard and determined by an associate circuit judge.

RULE 2. HOURS AND TERMS OF COURT

2.1 HOURS OF COURT

All divisions shall open at nine o'clock in the morning on each day of court. Special appointments and settings for any other times shall be made with the judge of the division involved.

2.2 TERMS OF COURT

The circuit court of each county of the circuit shall be in continual session as provided by Section 478.205, RSMo. To the extent that a term of circuit court may be required or specified by these rules or by any provisions of law, the "terms" of court shall be considered as commencing on the dates hereafter stated:

A. Boone County

The terms of court shall commence on the first Monday of January, April, and October and on the third Monday in June. Should said term date fall on a holiday, it will be observed the following day.

B. Callaway County

The terms of court shall commence on the third Monday in February and May and on the first Monday in September and December. Should said term date fall on a holiday, it will be observed the following day.

The court shall not be required to convene in any county in the circuit on the first day of any "term" solely because of this rule.

2.3 LAW DAYS

A. Preliminary matters and after trial motions and defaults may be heard on law days in accordance with court schedule, upon five (5) days written notice to adverse parties, or by consent of the parties, provided written notice shall be delivered to the circuit clerk no later than 5:00 p.m. on the Tuesday preceding the law day for civil matters and 5:00 p.m. on the Thursday preceding the law day for criminal matters.

B. The calendar for law days as adopted by this court may be found in the appendix to these local court rules.

2.4 PARTICULAR MATTERS ON PARTICULAR DAYS

See Local Court Rule 2.3, Paragraph B

2.5 CALENDAR FOR UNCONTESTED DISSOLUTIONS

The calendar for uncontested dissolutions, as adopted by the court, may be found in the appendix to these local court rules.

RULE 3. PLEADINGS

After a case has been set for trial, no pleading may be amended except by leave of court and such leave will be granted only upon written request showing due diligence in requesting such leave at the earliest practicable time.

3.1 CAPTION

The names and addresses of all parties shall be given in the caption of all petitions, followed by a heading giving the nature of the action. All initial civil pleadings filed shall include the last four digits of the filing party's tax identification number.

3.2 NUMBER OF PLEADINGS

The original of the pleadings and such additional copies as there are case numbers shall be filed whenever more than one case number appears on the pleading. The clerk shall file the original of such pleading in the case file of the first action number listed and shall file a copy of the pleading in the case file of each additional action listed.

RULE 4. FILING OF CASES

4.1 ALL CASES OTHER THAN PROBATE AND MUNICIPAL

All cases and pleadings, motions and papers related thereto shall be filed in an area designated by the circuit clerk.

The original of the petition or other pleadings and such additional copies as there are defendants or parties named therein to be served with process shall be filed. The copies so filed shall be used for service with summons. Only the original of subsequent pleadings shall be filed.

4.2 MUNICIPAL CASES

Cases that are heard by municipal judges shall be governed by the provisions of Section 478.245.2(3), RSMo. Municipal ordinance violations that are heard by an associate circuit judge, where the municipality has made provisions for local staff, shall be filed with the municipal division clerk. Other municipal ordinance violations that are heard by an associate circuit judge shall be filed with the circuit clerk.

4.3 FILINGS BY FACSIMILE IN CIVIL CASES

Facsimile or electronic transmissions of petitions and other pleadings are authorized in accordance with the Supreme Court Rules, provided that appropriate filing fees are received the same working day. If required fees have not been received, the facsimile transmission is not deemed filed.

Facsimile or electronically transmitted pleadings shall be deemed filed on the date and at the time the last page of the documents is accepted at the office of the circuit clerk. If the entire document is not received or if it is illegible, it is not deemed filed. Risk of loss in transmission, receipt, or illegibility is upon the party transmitting and filing the facsimile transmission.

The facsimile transmission shall have the same effect as the filing of the original document. Any person using this method of filing shall keep the original in his or her possession, as well as documentation of the transmission, and shall provide the same upon order of the court for inspection.

Facsimile filings received at the court before 5:00 p.m. on a regular workday are deemed filed as of that day. Facsimile filings received after 5:00 p.m. are deemed filed on the next regular court workday. Time of receipt is determined by the court's facsimile machine. If a document is not received by the clerk or if it is illegible, it is deemed not filed.

If the facsimile document is to be filed in multiple cases, the document must be transmitted once for each case file.

If the facsimile transmission is a civil petition, the clerk will not issue summons until additional copies equal to the number of defendants to be served are filed with the court. The copies so filed shall be used for service with the summons.

If multiple copies of a pleading other than the original petition are required by local court rule, the document must be transmitted the number of times equal to the original and number of required copies.

4.4 EMERGENCY FILINGS WITH ON-CALL JUDGES BY FACSIMILE

Pursuant to Missouri Supreme Court Rule 20.04(h), search warrants and complaints and affidavits in support thereof; arrest warrants and affidavits, complaints and indictments in support thereof; ex parte orders and petitions and affidavits in support thereof; mental health/drug and alcohol commitments and petitions in support thereof; and detention and protective custody orders and petitions in support thereof may be filed with on-call judges by facsimile transmission on weekends, holidays, after 5:00 p.m. on weekdays and at other times when a judge is unavailable.

Any such paper so filed shall have the same effect as the filing of an original document, even though it may be required to be verified or submitted by affidavit. A facsimile signature shall have the same effect as an original signature. The person filing such a paper by facsimile transmission shall also file the original with the court.

RULE 5. FEES AND COSTS

GENERAL RULES

RULE 21. ATTORNEYS

21.1 RESOLUTION OF CONFLICTING TRIAL SETTINGS

- A. If more than one case in which the same attorney appears is set for trial in different divisions at the same time, the following priorities shall govern:
 - 1. Criminal trials shall have precedence over civil trials; and
 - 2. jury trials shall have precedence over non-jury trials; and
 - 3. if two cases are the same type, trials of cases with earliest filing dates shall have precedence over trials of cases with later filing dates.
- B. Should trial be delayed because an attorney is engaged, said cause shall be reset for trial at the earliest possible time.
- C. The term "engaged" in this rule means the actual and necessary participation of any attorney in the trial or hearing of a case in any court of trial or appellate jurisdiction. No attorney, however, who shall be engaged in any court except the circuit courts of the Thirteenth Judicial Circuit shall be considered as so engaged unless, within 10 days after the case is set for trial or within 5 days after the receipt of notice of conflicting trial setting from a federal or appellate court, the attorney has notified the judge of the division in which the case is set, in writing, of such engagement, stating in such notice the court in which the attorney is attending and the date the attorney was notified of such setting and, as nearly as possible, the time the attorney will necessarily be engaged.

21.2 ENTRIES OF APPEARANCE

- A. The attorney of record shall be the attorney who signs the pleading or information. Any other attorney shall file a written entry of appearance or oral entry of appearance in open court, in order to be considered the attorney of record.
- B. Unless defendant is represented by counsel present in court, no written entry of appearance will be accepted in lieu of service of summons unless the same shows that defendant has received a copy of the petition, that it has been executed after the suit has been filed, and has been acknowledged in the same manner as deeds of conveyance are required by law to be executed.

21.3 CONDUCT OF ATTORNEYS

- A. When addressing the court, attorneys will speak from the counsel table and only one argument will be heard from each side, except that the counsel first raising the point has the right to close by answering the argument of his adversary.

- B. Where more than one attorney represents a party, but one attorney shall examine or cross-examine each witness, such counsel shall be changed only by leave of court.
- C. In criminal cases of more than one defendant represented by different counsel, the order of examination shall be determined by the judge presiding at the trial.
- D. When objecting to the introduction of any evidence, counsel shall stand and state explicitly the ground of objection without argument.
- E. An attorney residing outside of this state, in good standing as an attorney at the place of the attorney's residence, may be recognized as an attorney by this court for any particular action or proceeding in this court; but only if that attorney has associated with that attorney as an attorney of record in such action, an attorney authorized to practice in this state and who has an office within this state and upon whom service may be had in all matters connected with such action; provided that regularly licensed practicing attorneys of other states, the laws and rules of which state permit the practice in its court of attorneys from this state without a local attorney being associated with such attorney, shall not be required to comply with the provisions of this rule.

21.4 WITHDRAWAL OF ATTORNEYS

The conditions under which an attorney is allowed to withdraw from the employ of a client are set out in Supreme Court Rule 4-1.16, Rules of Professional Conduct. Any attorney who desires to withdraw as attorney of record for any party to any action pending in this court shall comply with the following procedures:

- A. The attorney shall file a written motion requesting leave of court to withdraw. If the case is then set for trial, the reason for the request must be set forth in the motion. Attached to the motion shall be a notice of date and time at which the moving attorney will call up the motion before the court for hearing.
- B. A copy of the motion and the notice shall be served upon all parties, including the client from whose employ the attorney is seeking leave to withdraw, in the manner provided by V.A.M.R. 4301. If the case in which the attorney is seeking leave to withdraw is a criminal case, the notice shall instruct the client that the client must appear in person at the hearing.
- C. The last known address of the client from whose employ the attorney is seeking leave to withdraw shall be plainly set out in the motion or the certificate of service thereon.
- D. The attorney seeking leave to withdraw must appear in open court and call up the motion at the time specified in the notice. If the case in which the attorney is seeking leave to withdraw is a criminal case, it shall be the duty of the client to appear in person in compliance with the notice mentioned in subparagraph "B" above.

- E. If the client fails to appear, and if the attorney is granted leave to withdraw, the attorney shall immediately notify his former client by letter of the attorney's withdrawal and shall send a copy of the letter to the clerk. Such letter shall advise the former client of any scheduled court proceedings or pleading deadlines in the case.

21.5 FAILURE OF ATTORNEY TO ANSWER DOCKET CALL

When any case or matter pending is called for hearing, and either or both parties fail to appear or answer ready, the same shall be dismissed for want of prosecution, or judgment entered, or other appropriate order made, in the discretion of the court.

21.6 APPOINTMENT OF ATTORNEYS

See Local Court Rules 65 and 67.4.

21.7 AGREEMENT OF ATTORNEYS

Except for oral stipulations agreed to by both counsel in open court, no private oral agreement between parties or counsel will be recognized by the court. Any agreement contemplating action or the withholding of action by this court shall be in writing and filed with the clerk.

21.8 ADVICE TO CLIENTS AND WITNESS OF COURTROOM PROCEDURES

The attorney is to advise the client and witnesses as to the formality of the court, including proper dress, and seek their cooperation therewith, thereby avoiding embarrassment.

The attorney is to advise the client not to discuss any phase of the case with the court.

When the rule as to witnesses is invoked, each attorney is charged with the duty of seeing that the witnesses comply with that rule. If any witness violates the rule, whether willfully or otherwise, such witness shall not be permitted to testify, except by consent of opposing counsel or unless the court, in its own discretion, rules that justice requires such testimony be received, under all the circumstances to be considered.

See also Local Court Rule 9.

- B. The guardian ad litem so appointed shall be an attorney licensed to practice law in this state in a proceeding governed by the Uniform Child Custody Act. No person shall be appointed as guardian ad litem in a juvenile division proceeding without first qualifying pursuant to the guardian ad litem standards adopted by this court. Guardian ad litem standards may be obtained from the circuit clerk.
- C. The guardian ad litem shall be allowed a reasonable fee for his or her services.

The court reporter shall retain a copy of the transcript on computer disk in the event a full-page transcript is requested.
- B. Transcripts prepared for purposes other than appeal. The court reporter shall prepare an original and the requested number of copies of the transcript. The court reporter shall file the original transcript with the circuit clerk. The original transcript may, at reporter's discretion, be printed in reduced-page format. The court reporter shall retain a copy of the transcript on computer disk in the event a full-page transcript is requested.
- C. Transcripts of guilty plea and sentencing hearings. As required in Supreme Court Rule 24.03(b), the court reporter shall prepare an original transcript. The original transcript shall be printed in full-page format, shall have a bright blue adhesive flag attached and aligned with the case number in the caption, and shall be file-punched at the top for fastening in the court file. The court reporter shall file the original transcript with the circuit clerk.
- D. Deposit of funds for transcript of notes. Upon receipt of a request for preparation of a transcript when the cost of said transcript is not to be paid from state funds, the court reporter shall provide the requesting party with a reasonable estimate of the cost of said transcript. Preparation of said transcript shall not begin until a full deposit is made to the court reporter. The balance or refund due shall be settled upon delivery of said transcript.

Preparations of a typewritten transcript of a record preserved by electronic recording device shall not begin until the clerk is paid a sum sufficient to cover the estimated cost of this work. The estimated charge will vary depending upon how the typewritten copy is to be prepared.
- E. Homicide preliminary hearings. An official court reporter shall report the proceedings of homicide preliminary hearings, if schedules permit. Transcripts and costs thereof shall be pursuant to paragraphs B and D above.

After receiving answers to the pattern interrogatories, any party that requires further information may propound up to five additional interrogatories without leave of court. If further information is required after these interrogatories have been answered, additional interrogatories may be

Should the parties be unable to agree on a mediator, the parties shall notify the court and the court will then appoint the mediator and an order of mediation shall then be issued by the court.
- E. The mediator and the parties will determine the fee. Where the parties cannot agree upon the method or allocation of the mediator's payment, the court retains the authority to determine a final, equitable allocation of the costs of the mediation process. If a party fails to pay for the mediator, the court may, upon motion, issue an order for the payment of such costs and impose appropriate sanctions. If a party is determined indigent by the court and free or low-cost mediation services are not available, the court may waive the mediation requirement and the case shall proceed otherwise.
- F. Cases in which mediation has been ordered pursuant to this rule shall be stayed for purposes of compliance with Missouri Supreme Court Administrative Rule 17 time standards for disposition of cases but not for a period exceeding 30 days from the date of the order for mediation unless, upon application, the stay is extended by the court for good cause shown.
